

ELDON TURKEY FESTIVAL

BOOTH APPLICATION GUIDELINES

Please read carefully!

All **return** vendors booth space applications must be received in our office **no later than April 1, 2017 to reserve the same booth space as last year.** **All applications received after April 1, 2017, will be assigned booth space according to availability on a first come, first serve basis whether you are a returning or a new vendor.**

1. All fees must accompany your application. Make checks payable to “Eldon Area Chamber of Commerce”. We accept MasterCard, Visa, and Discover. There will be **no refunds!**
2. It’s important to **fill in the description of what you will be selling on the application form.** Be realistic. We reserve the right to limit applications based on the type of merchandise or food items, and the number of applications received for a certain product. We need that information so that we can space the booths to everyone’s best advantage. Available spaces will be assigned on a first request basis. All deadlines and rules will be enforced when we assign spaces. We will not be able to entertain all requests. If there is a question or problem about your request, you will be contacted. Decisions of the Board of Directors of the Chamber will be final.
3. If you request additional spaces or additional electricity, you may not be able to retain your former booth space, depending on the type of request and our ability to grant that request with our current facilities. Except for electricity, your booth must be self-sufficient.
4. Booths containing food items will be inspected by a county health official and **MUST BE APPROVED.** If not approved, you will be required to either comply with the official’s request or leave the festival area.
5. We do not provide tables and none are available from the Chamber.

Our rules and guidelines are to help us run smoothly and provide a safe and sanitary environment for our Festival patrons. Failure to comply with rules and guidelines will disallow your participation in the Festival.
